01	<p>In Section III. Qualification and Evaluation Criteria, Financial Situation and Performance section it states that Minimum average annual supplier turnover of USD 6 MIO calculated as total certified payments received for contracts in progress and/or completed within the last 3 years. Could you please clarify does it means in the past three years the turnover of each year needs to be equal to or above 6 million USD, or it means the total turn over in the past three years equals or exceeds 18 million, i.e. the average is equal to or above 6 million USD?</p>	<p>The average annual turnover for the last three years needs to be equal or above 6 million USD. The combined turnover for the last three years therefore needs to be equal or above 18 million USD total.</p>
02	<p>In page 31, it states: ITB 14.7 The Incoterms edition is Incoterms 2010, Delivered at Place (DAP) which means the seller is not responsible for custom clearance, and doesn't bear the cost of VAT and custom taxes and related fees for overseas products to be imported.</p> <p>In Page113, Taxes and duties it states: 17.3 If any tax exemptions, reductions, allowances or privileges may be available to the Supplier in the Purchaser's Country as specified in the PC, the Purchaser shall use its best efforts to enable the Supplier to benefit from any such tax savings to the maximum allowable extent.</p> <p>In page 128 GC17.3, it states The following taxes, duties and fees exemptions apply to the Contract: None</p> <p>So our question is: For those products that will be imported from overseas, will the buyer be responsible for the custom clearance and bear the cost of VAT tax, custom duties and related fees?</p>	<p>The Purchaser is responsible for custom clearance. No taxes, duties and fees are applicable for the Supplier.</p>
