Two lecturers from International Law Department, Faculty of Law Hasanuddin University, Prof. Dr. Marcel Hendrapati, SH, MH and Dr. Maasba Magassing recently made a presentation at International Conference which took place at National University Singapore on 21st June 2018. Dr. Maasba Magassing presented a conference paper entitled "International Criminal Law and Indonesian Perspective", while Prof. Dr. Marcel Hendrapati, SH, MH was talked about The Offshore Installation Removal Based on Indonesian Regulations (Legal Brief). He said that the removal of offshore installation must be conducted by applying technological devices which meet Indonesian national standard, regional standard, or international standard.

UNHAS LECTURER AT THE 16TH ASIA TEFL

On 27-29th June 2018, Dra. Nasmilah DIP. TESL, M.Hum, Ph.D, a lecturer of English Dept, Faculty of Cultural Sciences, UNHAS presented her paper entitled "Enhancing learners' autonomy through partial-immersion English Program in an Indonesian EFC Context" at the 16th Asia TEFL, 1st MAAL & 6th HAAL 2018 Intl Conference in Macau SAR, CHINA.

This conference is an annual gathering of all EFL teachers and practitioners around the globe. It provides a forum to address the issues that ELT practitioners face in the changing globalized world. Compelling researches into applied linguistics and ELT are highlighted and presented by different scholars coming from different parts of the world especially those whose interest in ELT practices in Asia is remarkable.

This conference brings together ELT community in Asia to work together to forge a common response to the challenges, a response that draws on both research and praxis.

INTERNATIONAL WOMEN IN HIGHER EDUCATION SUMMIT

On 4-8th June 2018, The University of California has invited Rector of UNHAS, Professor Dwia Aries Tina Pulubuhu, MA to become a speaker at the "International Women in Higher Education Summit" in the Riverside, United States. The Rector shared her experience of how she led the largest university in Eastern Indonesia. This summit aimed at sharing capacity and experience of women in managing the university and also discussed how women as leaders in universities can play an optimal role to be a mediator or a peacemaker in their respective countries. Many important figures of the women's movement in the United States speak at this forum such as the Ambassador Melanne Verveer, the Director of the Institute for Women, Peace and Security, and Dr. Kathleen Keuhnast, the Director of Gender, Policy and Strategy, United States Institute of Peace.

STUDENT NEWS

YSEALI Academic Fellowship program

Current student, Hardiyanti Pertiwi, who is studying at the Faculty of Cultural science, shares her experience of joining YSEALI (Young South-east Asian Leaders Initiative) Academic Fellowship program. YSEALI is a 5-week fully funded academic study program which aims to provide youth from ASEAN an opportunity to study in U.S College or university. During the program which was held from 17th March to 21st April 2018, Pertiwi was placed at University of Connecticut studying Social Entrepreneurship. She is passionate about learning new things and broadens her understanding

to cope in a very diverse community by joining this program. Pertiwi hopes that she could implement the knowledge and the values she got in this program to empower marginalised people in her community through her contribution of idea. "YSEALI gave me opportunity to acquire as well as experience leadership development, an educational studytour, local community services & volunteering activities, engagement with American peers, policy makers, governmental representatives, business and think tanks." Pertiwi hopes that she could implement the knowledge & the values she got in this program to empower marginalised people in her community through her contribution of idea.

(Hardiyanti Pertiwi, Student of Faculty of Cultural Sciences, UNHAS)

OSPRO SUMMER SCHOOL EXPERIENCE

Aninditya Yumna, the student of Faculty of Economics & Business had joined a short Student Exchange Program on April 28th 2018. She shares her memories when she was took part in this Overseas Student Exchange Program in Malaysia & Singapore. This program was also joined by 35 other students who came from various universities all around Indonesia. Yumna is glad that she could join the program which was a big step for her to get out of comfort zone and gain such a great experience.

"The most interesting thing on my trip was when our group made a visit to the International University of Malaya Wales. Several lecturers gave encouraging presentations on how important it is for us to continue our studies after graduating from an undergraduate program. We are told that by continuing our studies, we will become competent and knowledgeable individuals who are ready contribute great things to our future works"

INAUGURATION OF ENGINEERING FACULTY

On Saturday, 23rd June 2018, after previously inaugurate the Building Center of Technology and JK Center, finally the entire building at the Faculty of Engineering was officially inaugurated by the Vice President, Mr. Jusuf Kalla (JK). This campus is situated on 40 hectares of land which become the largest Faculty in Indonesia. The Faculty of Engineering UNHAS is equipped with a full range of facilities to support the institution in providing excellent research results and cooperation to the government and the private sectors. In his welcoming speech, Mr. Jusuf Kalla emphasized that the Faculty of

Engineering should be able to anticipate the changing condition in the future. He said "If you only talked about the past then the campus is only a museum, thus, the campus should be able to answer the challenges of the future" The Rector of UNHAS, Prof. Dwia Pulubuhu mentioned "this Faculty has long been fought with the help from state budget & JICA grants so it must be fully optimized to make significant contribution to the nation's development" In addition to the official inauguration of the faculty, the Vice President JK opened the event of UNEX (Unhas Engineering Expo) which is planned to be held annually on a regular basis as the part of Anniversary of Faculty of Engineering, that display the research result, prototype, & patents from the researchers in the Faculty of Engineering.
